CSN Training and Technical Assistance Video Resource Library

The Office of Children and Youth with Special Needs, with the help from Babies Can't Wait and Children's Medical Services, has assembled a collection of videotapes for training and technical assistance specific to young children with special needs, their families, and care givers.

The collection is available for free loan to the following authorized individuals: educators at Higher Education colleges, universities, and technical schools, Department of Early Care and Learning providers, Pre-kindergarten, Head Start, and Early Head Start providers, Child Care Resource and Referral and those responsible for training and technical assistance within their Health Districts. The collection may also be accessed for assistance in completing SCEIs continuing education requirements for Babies Can't Wait. Early intervention providers are encouraged to utilize the video resource materials in support of families.

The collection is maintained by the Institute on Human Development and Disability: A Center for Excellence in Developmental Disabilities Education, Research, and Service, a Unit of the College of Family and Consumer Sciences, at the University of Georgia.

To apply to become a member of the Resource Library – you may request an application form by contacting IHDD @ (706) 583-0545 or submit an application form directly on the website at www.csnlibrary.com . You may also request an application by mail from CSN Video Resource Library, IHDD/UGA, 850 College Station Rd., Athens, GA 30602-4806.

The application form should be completed and returned to IHDD. Upon approval, applicants will receive a written confirmation of eligibility for participation in this free loan program. Approved members are responsible for any damage to the video resources as well as return postage costs.

Many items in the CSN Resource Library have been cross-referenced with resources that have been reviewed through a federal grant, the Culturally and Linguistically Appropriate Services Research Institute (C.L.A.S.) of the University of Illinois at Urbana-Champaign. While this grant has ended, we continue to provide a link to CLAS for library listings that have been reviewed by C.L.A.S. The link provides a review of the resource for its cultural and linguistic approach by experts in the field. C.L.A.S. resources are noted in the catalog with a handprint. (👤).

You may access the review of an item in two ways. You may review the library via the IHDD website and simply click on the C.L.A.S. icon, which will take you directly to the review of the item on the C.L.A.S. website. Or, you may access the C.L.A.S. review directly at <http://clas.uiuc.edu> and search by entering the title of the videotape.

For additional applications, video request forms, and the most current listing of videotapes, please visit our website. www.csnlibrary.com
